## SPORTS DAY

Sports day in Sri Ayesha was held on the 7th March 2009 at Bangi seksyen 15, Stadium. It was a fun-filled event because all the students in Sri Ayesha like to play sports. All of them are very active; they participated in the games with full energy. We have 4 different types of sports houses; we have **green, red, yellow and blue**. We could feel the spirit of sportsmanship among all the students as all of them were enthusiastic. Different teams with different songs and different spirits! We had the rehearsal on 2<sup>nd</sup> March 2009. The students did very well during rehearsal. As everyone knows **green** team won 1<sup>st</sup> place followed by **red** team, 3<sup>rd</sup> yellow and the last is **blue** team. We hope we will have this spirit next year. It is hoped that they can carry out their responsibilities well and will

**“ English, Malay and Arabic.”**

Debate is an extra class for the secondary students, they have 3 choices; English, Malay and Arabic. There are only a few students qualified to enter the Arabic debate. They will stay back from 4 p.m. to 5 p.m. for the debates. We have different days for each debate. English debate is held everyday except for Friday. Malay debate is practiced on Thursdays. ## Remembering Rasulullah SAW

9th March 2009 is a public holiday in Malaysia. Muslim celebrated Maulidur-Rasul by attending to speech by scholars about our prophet SAW. Some do salawat in group but all are remaindered to follow his footsteps to be successful in this life and hereafter. Sri Ayesha students will only celebrate the event on 21<sup>st</sup> March 2009. through understanding the prophet's teaching and try to understand his sunnah and practice it in daily life. Students can put on colorful baju kurung or jubah for the girls; and baju melayu or throbs for the boys. Not only to dress according to the sunnah, the school encourages students to perform all other prophet sunnah in speaking, learning, eating, walking, playing, interacting with friends, solat, and zikr.
